

NOV 12 2009

The Honorable Ted Strickland
Governor of Ohio
Riffe Center, 30th Floor
77 South High Street
Columbus, Ohio 43215-6108

Dear Governor Strickland:

As part of Ohio's modification to the State Plan for Title I of the Workforce Investment Act (WIA) and the Wagner-Peyser Act, the State submitted waiver plans to request that the State's waivers of statutory and regulatory requirements under WIA be approved for the remainder of Program Year (PY) 2009 (copy enclosed). These requests are written in the format identified in WIA section 189(i)(4)(B) and 20 CFR 661.420(c) and appear to meet the standard for approval at 20 CFR 661.420(e). The following is the disposition of the State's submission. This action is taken under the Secretary's authority to waive certain requirements of WIA Title I, Subtitles B and E, and sections 8-10 of the Wagner-Peyser Act.

In a letter dated June 29, 2009, ETA granted Ohio approval of the following waivers through June 30, 2010:

- Waiver of the provision at 20 CFR 663.530 that prescribes a time limit on the period of initial eligibility for training providers.
- Waiver of the prohibition at 20 CFR 664.510 on the use of Individual Training Accounts for older and out-of-school youth.
- Waiver to permit the State to replace the performance measures at WIA Section 136(b) with the common measures.

The approvals for these waivers remain in effect. The letter dated June 29, 2009 granted temporary extensions of the remainder of Ohio's waiver requests. The previous approval of the extensions is hereby terminated and replaced by decisions set forth in this letter. Unless otherwise indicated, all waiver approvals that follow apply to both WIA formula funds and funds made available under the American Recovery and Reinvestment Act of 2009 (ARRA).

Requested Waivers

Requested Waiver: Waiver of WIA Section 134(a) to permit local areas to use a portion of local funds for incumbent worker training and other statewide activities

The State is requesting a waiver to permit local area formula funding to be used for statewide activities, including incumbent worker training and other activities. The State is partially granted this waiver through June 30, 2010. Under this waiver, the State will be permitted to use up to 10 percent of local Dislocated Worker funds and up to 10 percent of local Adult funds for incumbent worker training only as part of a lay-off aversion strategy. Use of Adult funds must be restricted to serving low-income adults under this waiver. ETA believes limiting incumbent worker training to the specified level and requiring it to be a part of layoff aversion is the best use of funds in the current economic climate where serving unemployed workers is a paramount responsibility of the workforce system. All training delivered under this waiver is restricted to skill attainment activities. Local areas must continue to conduct the required local employment and training activities at WIA section 134(d), and the State is required to report performance outcomes for any individual served under this waiver in the Workforce Investment Act Standardized Record Data system (WIASRD).

The State also requested the use of local funds for other statewide activities for the purpose of innovative training and service delivery approaches. ETA denies the portion of the waiver request to fund other statewide activities. ETA believes maximizing the use of formula funding at the local level for WIA services is the best use of those funds in the current economic climate. The approval for the waiver for use of local funds for statewide activities, other than incumbent worker training, expires on the date of this letter. No new obligations are permitted effective the date of this letter; obligations made while this waiver was in effect may be fulfilled.

Requested Waiver: Waiver of WIA Section 134(a)(1)(A) to permit a portion of the funds reserved for rapid response activities to be used for incumbent worker training.

The State is requesting a waiver to permit use of rapid response funds for incumbent worker training. The State is granted this waiver through June 30, 2010. Under this waiver, the State is permitted to use up to 20 percent of rapid response funds for incumbent worker training only as part of a lay-off aversion strategy. ETA believes limiting incumbent worker training to layoff aversion is the best use of funds in the current economic climate where serving unemployed workers is a paramount responsibility of the workforce system. All training delivered under this waiver is restricted to skill attainment activities. The State is required to report performance outcomes for any incumbent workers served under this waiver in the Workforce Investment Act Standardized Record Data system (WIASRD). ETA Training and Employment Guidance Letter No. 14-08, Section 19, issued on March 18, 2009, explained that in order to apply this waiver to funds made available through the American Recovery and Reinvestment Act of 2009, states needed to submit a detailed justification. Because record numbers of unemployed individuals continue to seek the services of the workforce system, ETA believes that the use of ARRA funds for incumbent worker training would be inappropriate, and these funds should be devoted to serving those

participants without jobs. Therefore, this waiver does not apply to funds made available through ARRA.

Requested Waiver: Waiver of 20 CFR 666 and 667.300(a) to reduce the collection of participant data for incumbent workers.

The State is requesting a waiver of the requirements to reduce the data collection burden for employers participating in WIA-funded incumbent worker training programs. The waiver permits the State to discontinue the collection of the following Workforce Investment Act Standardized Record Data (WIASRD) elements: single parent (117), unemployment compensation eligible status at participation (118), low income (119), TANF (120), other public assistance (121), homeless individual and/or runaway (125), and offender (126). The State is granted this waiver through June 30, 2010.

Requested Waiver: Waiver of the reallocation provisions at WIA Sections 128(c)(2) and 133(c)(2), and 20 CFR 667.160.

The State is requesting a waiver of the reallocation provisions at WIA Sections 128(c)(2) and 133(c)(2), and 20 CFR 667.160. ETA denies this waiver. ETA believes that maintaining the statutory provisions of the law ensures that local areas have sufficient time to obligate and expend funds in a manner that best supports the needs of the customers in that area.

Requested Waiver: Waiver of WIA Section 133(b)(4) to increase the allowable transfer amount between Adult and Dislocated Worker funding streams allocated to a local area.

The State is requesting a waiver to permit an increase in the amount a state is allowed to transfer between the Adult and Dislocated Worker funding streams. The State is granted this waiver through June 30, 2010. Under the waiver, transfer authority is limited to 50 percent. This limitation provides states flexibility while ensuring consistency with Congressional intent regarding the level of funding appropriated for the WIA Adult and Dislocated Worker programs. As stated in ETA Training and Employment Guidance Letter (TEGL) No. 14-08, Section 19, issued on March 18, 2009, this waiver does not apply to funds made available through ARRA. However, the State is permitted to transfer up to 30 percent of ARRA funds between programs under WIA and under the Department of Labor Appropriations Act of 2009. This authority is discussed in TEGL No. 14-08, change 1.

Requested Waiver: Waiver of WIA Section 123 that requires that providers of Youth program elements be selected on a competitive basis.

The State is requesting a waiver of the requirement for competitive procurement of service providers for seven youth program elements. The State is partially granted this waiver through June 30, 2010. Under this waiver, the State is permitted to allow its One-Stop Career Centers or partner agencies to directly provide the youth program elements of supportive services, follow-up services, and work experience. In utilizing this waiver for these elements, the State and local areas must still meet Office of Management and Budget requirements (codified in 29 CFR 95.40-95.48 and 97.36) and all state and local procurement laws and policies. ETA denies this waiver for these elements: mentoring, summer employment opportunities, tutoring and study skills training, and leadership development. ETA believes that regular competitive procurement is the most efficient and cost-effective way to ensure the development of high-quality service providers for these elements.

Requested Waiver: Waiver of the required 50 percent employer contribution for customized training at WIA Section 101(8)(C).

The State is requesting a waiver of the required 50 percent employer contribution for customized training to permit the use of a sliding scale for the employer contribution based on the size of the business. The State is granted this waiver through June 30, 2010. Under the waiver, the following sliding scale is permitted: 1) no less than 10 percent match for employers with 50 or fewer employees, and 2) no less than 25 percent match for employers with 51-100 employees. For employers with more than 100 employees, the current statutory requirements (50 percent contribution) continue to apply. When determining the funding source for customized training, the State must use the appropriate program funds for the appropriate WIA-eligible population. The State may provide customized training to low-income adults with WIA Adult funds, and may provide customized training to dislocated workers with WIA Dislocated Worker funds. Customized training provided with statewide funds must serve WIA eligible individuals.

Requested Waiver: Waiver of WIA Section 181(e) to permit the use of WIA funds of up to \$5,000 to capitalize a small business in concert with entrepreneurial or small business training.

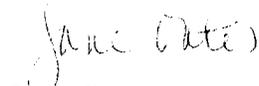

The State is requesting an extension of the waiver of WIA Section 181(e) to permit the use of WIA funds of up to \$5,000 to capitalize a small business in concert with entrepreneurial or small business training. ETA denies this waiver. Entrepreneurship is important to job creation, however business capitalization is best supported by organizations and agencies whose mission and statutory authority directly relate to

business development. The approval for this waiver expires on the date of this letter. The State is permitted to fulfill training obligations for current enrollees through March 31, 2010. No new enrollments are permitted effective the date of this letter.

The approved waivers are incorporated by reference into the State's WIA Grant Agreement, as provided for under paragraph 3 of the executed Agreement, and this constitutes a modification of the State Plan. A copy of this letter should be filed with the State's WIA Grant Agreement and the approved State Plan. In addition, as required by TEGL No. 14-00, Change 3, the State should address the impact these waivers have had on the State's performance in the WIA annual performance report, due on October 1 of each year.

We look forward to continuing our partnership with you and achieving better workforce outcomes. If you have any questions related to the issues discussed above, please contact Byron Zuidema, the Regional Administrator for Region V, at 312-596-5403 or Zuidema.Byron@dol.gov.

Sincerely,

Jane Oates
Assistant Secretary

Enclosure
