

The Honorable Jim Douglas
Governor of Vermont
State Capitol
Montpelier, Vermont 05609

Dear Governor Douglas:

This letter provides approval of an extension of Vermont's current Workforce Investment Act (WIA) and Wagner-Peyser Act (W-P) State Plan and waivers for Program Year (PY) 2010.

Training and Employment Guidance Letter (TEGL) No. 21-09, issued on April 15, 2010, provides guidance for states to secure approval of their WIA/W-P State Plans and waivers for PY 2010, and included the option to receive an extension of the existing State Plan and waivers for an additional year without submitting a formal request.

Extension of State Plan

Vermont's existing State Plan will expire on June 30, 2010. This letter constitutes a written determination under WIA Section 112 (29 USC 2822) that the Employment and Training Administration (ETA) is extending the approval of Vermont's State Plan for WIA Title I and the Wagner-Peyser Act for Program Year 2010, July 1, 2010 through June 30, 2011.

The Grant Officer will issue a Notice of Obligation for the "July portion" of the WIA formula allocations for Adult and Dislocated Worker programs, effective July 1, 2010, under the PY 2010 Annual Funding Agreement. The W-P program's Annual Funding Agreement for PY 2010/Fiscal Year 2011 will be sent to the designated state grantee agency for signature and return to the Grant Officer for execution, effective July 1, 2010. The W-P Annual Funding Agreement will provide for the initial base allocation of PY 2010 funds.

Performance Levels

Vermont has decided to extend its existing PY 2009 WIA and W-P performance goals for PY 2010. ETA has incorporated these performance goals, identified as

PY 2010 performance goals, into the Regional and National Office copies of the State Plan. Please include these PY 2010 goals in the State's official copy of the State Plan.

Waivers

As part of the State's extension of the WIA/W-P State Plan, and as described in TEGL 21-09, ETA has made determinations regarding an extension of Vermont's PY 2009 waivers of statutory and regulatory requirements under WIA for PY 2010. The disposition of the State's waiver extensions is outlined below. This action is taken under the Secretary's authority at WIA section 189(i) to waive certain requirements of WIA title I, Subtitles B and E, and sections 8-10 of the Wagner-Peyser Act. Unless otherwise indicated, all waiver approvals that follow apply to both WIA formula funds and funds made available under the American Recovery and Reinvestment Act of 2009.

Extension of Waivers

Waiver of WIA Section 123 that requires that providers of Youth program elements be selected on a competitive basis.

The State was previously granted a waiver of the requirement for competitive procurement of service providers for three of the ten youth program elements: supportive services, follow-up services, and work experience. The State is granted an extension of this waiver through June 30, 2011. Under this waiver, the State is permitted to allow its One-Stop Career Centers or partner agencies to directly provide youth program elements. In utilizing this waiver, the State and local areas must still meet Office of Management and Budget requirements (codified in 29 CFR 95.40-95.48 and 97.36) and all state and local procurement laws and policies.

Waiver of the provision at 20 CFR 663.530 that prescribes a time limit on the period of initial eligibility for training providers.

The State was previously granted a waiver of the time limit on the period of initial eligibility of training providers provided at 20 CFR 663.530. The State is granted an extension of this waiver through June 30, 2011. Under the waiver, the State is allowed to postpone the determination of subsequent eligibility of training providers. The waiver also allows the State to provide an opportunity for training providers to re-enroll and be considered enrolled as initially eligible providers.

The approved waivers are incorporated by reference into the State's WIA Grant Agreement, as provided for under paragraph 3 of the executed Agreement, and this constitutes a modification of the State Plan. A copy of this letter should be filed with the State's WIA Grant Agreement and the approved State Plan. In addition, as required by TEGL No. 14-00, Change 3, the State should address the impact these waivers have had on the State's performance in the WIA annual performance report, due on October 1 of each year.

We look forward to working together as you implement your State Plan for PY 2010. If you have any questions related to the issues discussed above, please contact George Kincannon, the Federal Project Officer for Vermont, at 617-788-0135 and Kincannon.George.J@dol.gov.

Jane Oates
Assistant Secretary
