

The Honorable Jack Markell
Governor of Delaware
State Capitol
Dover, Delaware 19901

Dear Governor Markell:

This letter provides approval of an extension of Delaware's current Workforce Investment Act (WIA) and Wagner-Peyser Act (W-P) State Plan and waivers for Program Year (PY) 2010.

Training and Employment Guidance Letter (TEGL) No. 21-09, issued on April 15, 2010, provides guidance for states to secure approval of their WIA/W-P State Plans and waivers for PY 2010, and included the option to receive an extension of the existing State Plan and waivers for an additional year without submitting a formal request.

Extension of State Plan

Delaware's existing State Plan will expire on June 30, 2010. This letter constitutes a written determination under WIA Section 112 (29 USC 2822) that the Employment and Training Administration (ETA) is extending the approval of Delaware's State Plan for WIA Title I and the Wagner-Peyser Act for Program Year 2010, July 1, 2010 through June 30, 2011.

The Grant Officer will issue a Notice of Obligation for the "July portion" of the WIA formula allocations for Adult and Dislocated Worker programs, effective July 1, 2010, under the PY 2010 Annual Funding Agreement. The W-P programs annual funding agreement for PY 2010/Fiscal Year 2011 will be sent to the designated state grantee agency for signature and return to the Grant Officer for execution, effective July 1, 2010. The W-P annual funding agreement will provide for the initial base allocation of PY 2010 funds.

Performance Levels

Delaware has decided to extend its existing PY 2009 WIA and W-P performance goals for PY 2010. ETA has incorporated these performance goals, identified as PY 2010 performance goals, into the Regional and National Office copies of the State Plan. Please include these PY 2010 goals in the State's official copy of the State Plan.

Waivers

As part of the State's extension of the WIA/W-P State Plan, and as described in TEGL 21-09, ETA has made determinations regarding an extension of Delaware's PY 2009 waivers of statutory and regulatory requirements under WIA for PY 2010. The disposition of the State's waiver extensions is outlined below. This action is taken under the Secretary's authority at WIA section 189(i) to waive certain requirements of WIA title I, Subtitles B and E, and sections 8-10 of the Wagner-Peyser Act. Unless otherwise indicated, all waiver approvals that follow apply to both WIA formula funds and funds made available under the American Recovery and Reinvestment Act of 2009.

Extension of Waivers

Waiver of WIA Section 133(b)(4) to increase the allowable transfer amount between Adult and Dislocated Worker funding streams allocated to a local area.

The State was previously granted a waiver to permit an increase in the amount a state is allowed to transfer between the Adult and Dislocated Worker funding streams. The State is granted an extension of this waiver through June 30, 2011. Under the waiver, transfer authority is limited to 50 percent. This limitation provides states flexibility while ensuring consistency with Congressional intent regarding the level of funding appropriated for the WIA Adult and Dislocated Worker programs. As stated in ETA Training and Employment Guidance Letter (TEGL) No. 14-08, Section 19, issued on March 18, 2009, this waiver does not apply to funds made available through the American Recovery and Reinvestment Act of 2009. However, the State is permitted to transfer up to 30 percent of ARRA funds between programs under WIA and under the Department of Labor Appropriations Act of 2009. This authority is discussed in TEGL No. 14-08, change 1.

Waiver to permit the State to replace the performance measures at WIA Section 136(b) with the common measures.

The State was previously granted a waiver that allows the State to replace the 17 performance measures under WIA Section 136(b) with the common measures. The State is granted an extension of this waiver through June 30, 2011.

This waiver permits the State to negotiate and report WIA outcomes against the common performance measures only, rather than the performance measures described at WIA Section 136(b). The State will no longer negotiate and report to ETA on the following WIA measures: WIA adult and dislocated worker

credential rates; participant and employer customer satisfaction; older youth measures; and younger youth measures. The State will use the three adult common performance measures to negotiate goals and report outcomes for the WIA Adult and WIA Dislocated Worker programs. The State will use the three youth common performance measures to negotiate goals and report outcomes for the WIA Youth program. Workforce Investment Act Standardized Record Data system (WIASRD) item 619, Type of Recognized Credential, should be completed for each individual as appropriate, regardless of this waiver to report on common performance measure outcomes only.

Waiver of the provision at 20 CFR 663.530 that prescribes a time limit on the period of initial eligibility for training providers.

The State was previously granted a waiver of the time limit on the period of initial eligibility of training providers provided at 20 CFR 663.530. The State is granted an extension of this waiver through June 30, 2011. Under the waiver, the State is allowed to postpone the determination of subsequent eligibility of training providers. The waiver also allows the State to provide an opportunity for training providers to re-enroll and be considered enrolled as initially eligible providers.

The approved waivers are incorporated by reference into the State's WIA Grant Agreement, as provided for under paragraph 3 of the executed Agreement, and this constitutes a modification of the State Plan. A copy of this letter should be filed with the State's WIA Grant Agreement and the approved State Plan. In addition, as required by TEGL No. 14-00, Change 3, the State should address the impact these waivers have had on the State's performance in the WIA annual performance report, due on October 1 of each year.

We look forward to working together as you implement your State Plan for PY 2010. If you have any questions related to the issues discussed above, please contact Michael Toops, the Federal Project Officer for Delaware, at 215-861-5217 and toops.michael@dol.gov.

Sincerely,

Jane Oates
