

The Honorable John Hoeven
Governor of North Dakota
State Capitol
600 E Boulevard Avenue
Bismarck, North Dakota 58505-0001

Dear Governor Hoeven:

Thank you for submitting a modification to the North Dakota State Plan for Title I of the Workforce Investment Act (WIA) and Wagner-Peyser Act. The Employment and Training Administration (ETA) received the State's final modification on April 15, 2010.

Training and Employment Guidance Letter (TEGL) No. 21-09, issued on April 15, 2010, provides guidance for states to secure approval of their WIA/W-P State Plans and waivers for PY 2010, and included the option to receive an extension of the existing State Plan and waivers for an additional year without submitting a formal request. This letter provides approval of the modification to North Dakota's State Plan for Title I of the Workforce Investment Act (WIA) and the Wagner-Peyser Act (W-P), and approves the extension of North Dakota's State Plan and existing waivers through June 30, 2011, Program Year (PY) 2010.

Plan Review and Approval

ETA has reviewed the North Dakota State Plan modification in accordance with Title I of WIA, the Wagner-Peyser Act, the corresponding regulations, the WIA/W-P Planning Guidance (73 Fed. Reg. 72853, December 1, 2008), and as appropriate Attachment A of TEGL 14-08. Pursuant to 20 CFR 661.230(e), this letter constitutes a written determination under WIA Section 112 (29 USC 2822) that ETA is approving the modification to North Dakota's State Plan through June 30, 2011.

The Grant Officer will issue a Notice of Obligation for the "July portion" of the WIA formula allocations for Adult and Dislocated Worker programs, effective July 1, 2010, under the PY 2010 Annual Funding Agreement. The W-P program's Annual Funding Agreement for PY 2010/Fiscal Year 2011 will be sent to the designated state grantee agency for signature and return to the Grant Officer for execution, effective July 1, 2010. The W-P annual funding agreement will provide for the initial base allocation of PY 2010 funds.

Performance Levels

North Dakota has decided to extend their existing PY 2009 WIA and W-P performance goals for PY 2010. ETA has incorporated these performance goals, identified as PY 2010 performance goals, into the Regional and National Office copies of the State Plan. Please include these PY 2010 goals in the State's official copy of the State Plan.

Waivers

As part of North Dakota's modification of the WIA/W-P State Plan, and as described in TEGE 21-09, ETA has made determinations regarding an extension of North Dakota's PY 2009 waivers of statutory and regulatory requirements under WIA for PY 2010. The disposition of the State's waiver extensions is outlined below. This action is taken under the Secretary's authority at WIA section 189(i) to waive certain requirements of WIA title I, Subtitles B and E, and sections 8-10 of the Wagner-Peyser Act. Unless otherwise indicated, all waiver approvals that follow apply to both WIA formula funds and funds made available under the American Recovery and Reinvestment Act of 2009.

Waiver of the prohibition at 20 CFR 664.510 on the use of Individual Training Accounts for older and out-of-school youth.

The State was previously granted a waiver of the prohibition at 20 CFR 664.510 on the use of Individual Training Accounts (ITAs) for older and out-of-school youth program participants. The State is granted an extension of this waiver through June 30, 2011. Under this waiver, the State can use ITAs for older and out-of-school youth program participants. The State should ensure that funds used for ITAs are tracked and reflected in the individual service strategies for these youth.

Waiver to permit the State to replace the performance measures at WIA Section 136(b) with the common measures.

The State was previously granted a waiver that allows the State to replace the 17 performance measures under WIA Section 136(b) with the common measures. The State is granted an extension of this waiver through June 30, 2011.

This waiver permits the State to negotiate and report WIA outcomes against the common performance measures only, rather than the performance measures described at WIA Section 136(b). The State will no longer negotiate and report to ETA on the following WIA measures: WIA adult and dislocated worker

credential rates; participant and employer customer satisfaction; older youth measures; and younger youth measures. The State will use the three adult common performance measures to negotiate goals and report outcomes for the WIA Adult and WIA Dislocated Worker programs. The State will use the three youth common performance measures to negotiate goals and report outcomes for the WIA Youth program. The Workforce Investment Act Standardized Record Data system (WIASRD) item 619, Type of Recognized Credential, should be completed for each individual as appropriate, regardless of this waiver to report on common performance measure outcomes only.

Waiver of the provision at 20 CFR 663.530 that prescribes a time limit on the period of initial eligibility for training providers.

The State was previously granted a waiver of the time limit on the period of initial eligibility of training providers provided at 20 CFR 663.530. The State is granted an extension of this waiver through June 30, 2011. Under the waiver, the State is allowed to postpone the determination of subsequent eligibility of training providers. The waiver also allows the State to provide an opportunity for training providers to re-enroll and be considered enrolled as initially eligible providers.

The approved waivers are incorporated by reference into the State's WIA Grant Agreement, as provided for under paragraph 3 of the executed Agreement, and this constitutes a modification of the State Plan. A copy of this letter should be filed with the State's WIA Grant Agreement and the approved State Plan. In addition, as required by TEGL No. 14-00, Change 3, the State should address the impact these waivers have had on the State's performance in the WIA annual performance report, due on October 1 of each year.

We look forward to working together as you implement your WIA/W-P State Plan for PY 2010. If you have any questions related to the issues discussed above, Douglas Harris, the Federal Project Officer for North Dakota, at (972) 850-4614 or Harris.Douglas@dol.gov.

Jane Oates
