

The Honorable Pat Quinn
Governor of Illinois
207 State House
Springfield, Illinois 62706

Dear Governor Quinn:

This letter provides approval of an extension of Illinois' current Workforce Investment Act (WIA) and Wagner-Peyser Act (W-P) State Plan and waivers for Program Year (PY) 2010. Training and Employment Guidance Letter (TEGL) No. 21-09, issued on April 15, 2010, provides guidance for states to secure approval of their WIA/W-P State Plans and waivers for PY 2010, and included the option to receive an extension of the existing State Plan and waivers for an additional year without submitting a formal request.

Extension of State Plan

Illinois' existing State Plan will expire on June 30, 2010. This letter constitutes a written determination under WIA Section 112 (29 USC 2822) that the Employment and Training Administration (ETA) is extending the approval of Illinois' State Plan for WIA Title I and the Wagner-Peyser Act for Program Year 2010, July 1, 2010 through June 30, 2011.

The Grant Officer will issue a Notice of Obligation for the "July portion" of the WIA formula allocations for Adult and Dislocated Worker programs, effective July 1, 2010, under the PY 2010 Annual Funding Agreement. The W-P program's Annual Funding Agreement for PY 2010/Fiscal Year 2011 will be sent to the designated state grantee agency for signature and return to the Grant Officer for execution, effective July 1, 2010. The W-P Annual Funding Agreement will provide for the initial base allocation of PY 2010 funds.

Performance Levels

Illinois has decided to extend its existing PY 2009 WIA and W-P performance goals for PY 2010. ETA has incorporated these performance goals, identified as PY 2010 performance goals, into the Regional and National Office copies of the State Plan. Please include these PY 2010 goals in the State's official copy of the State Plan.

Waivers

As part of the State's extension of the WIA/W-P State Plan, and as described in TEGL 21-09, ETA has made determinations regarding an extension of Illinois' PY 2009 waivers of statutory and regulatory requirements under WIA for PY 2010. The disposition of the State's waiver is outlined below. This action is taken under the Secretary's authority at WIA section 189(i) to waive certain requirements of WIA title I, Subtitles B and E, and sections 8-10 of the Wagner-Peyser Act. Unless otherwise indicated, all waiver approvals that follow apply to both WIA formula funds and funds made available under the American Recovery and Reinvestment Act of 2009.

Extension of Waivers

Waiver of WIA Section 134(a) to permit local areas to use a portion of local funds for incumbent worker training.

The State was previously granted a waiver to permit local areas to conduct allowable statewide activities as defined under WIA section 134(a)(3) with local WIA formula funding, specifically incumbent worker training. The State is granted an extension of this waiver through June 30, 2011. Under this waiver, the State will be permitted to allow local areas to use up to 10 percent of local Dislocated Worker funds and up to 10 percent of local Adult funds for incumbent worker training only as part of a lay-off aversion strategy. Use of Adult funds must be restricted to serving lower income adults under this waiver. ETA believes limiting incumbent worker training to the specified level and requiring it to be a part of layoff aversion is the best use of funds in the current economic climate where serving unemployed workers is a paramount responsibility of the workforce system. All training delivered under this waiver is restricted to skill attainment activities. Local areas must continue to conduct the required local employment and training activities at WIA section 134(d), and the State is required to report performance outcomes for any individual served under this waiver in the Workforce Investment Act Standardized Record Data system (WIASRD), field 309. TEGL No. 26-09, Section 7A, "Workforce Investment Act (WIA) Waiver Policy and Waiver Decisions for PY 2009 and 2010" and TEGL No. 30-09, "Layoff Aversion Definition and the Appropriate Use of Incumbent Worker Training for Layoff Aversion Using a Waiver" provide policy guidance related to implementation of this waiver.

Waiver of the prohibition at 20 CFR 664.510 on the use of Individual Training Accounts for older and out-of-school youth.

The State was previously granted a waiver of the prohibition at 20 CFR 664.510 on the use of Individual Training Accounts (ITAs) for older and out-of-school youth program participants. The State is granted an extension of this waiver through June 30, 2011. Under this waiver, the State can use ITAs for older and out-of-school youth program participants. The State should ensure that funds used for ITAs are tracked and reflected in the individual service strategies for these youth.

Waiver of WIA Section 123 that requires that providers of Youth program elements be selected on a competitive basis.

The State was previously granted a waiver of the requirement for competitive procurement of service providers for three of the ten youth program elements: supportive services, follow-up services, and work experience. The State is granted an extension of this waiver through June 30, 2011. Under this waiver, the State is permitted to allow its One-Stop Career Centers or partner agencies to directly provide the youth program elements of supportive services, follow-up services, and work experience. In utilizing this waiver for these elements, the State and local areas must still meet Office of Management and Budget requirements (codified in 29 CFR 95.40-95.48 and 97.36) and all state and local procurement laws and policies.

Waiver to permit the State to replace the performance measures at WIA Section 136(b) with the common measures.

The State was previously granted a waiver that allows the State to replace the 17 performance measures under WIA Section 136(b) with the common measures. The State is granted an extension of this waiver through June 30, 2011.

This waiver permits the State to negotiate and report WIA outcomes against the common performance measures only, rather than the performance measures described at WIA Section 136(b). The State will no longer negotiate and report to ETA on the following WIA measures: WIA adult and dislocated worker credential rates; participant and employer customer satisfaction; older youth measures; and younger youth measures. The State will use the three adult common performance measures to negotiate goals and report outcomes for the WIA Adult and WIA Dislocated Worker programs. The State will use the three youth common performance measures to negotiate goals and report outcomes for the WIA Youth program. WIASRD item 619, Type of Recognized Credential, should be completed for each individual as appropriate, regardless of this waiver

to report on common performance measure outcomes only.

Waiver of WIA section 134(d)(4)(G) to allow the local areas within the state to contract for training with WIA funds instead of using Individual Training Accounts (ITA's).

The State was previously granted a waiver to allow local area workforce boards to develop class size contracts with training providers outside of the required ITA process for training provision. The State is granted this waiver through June 30, 2011. Under this waiver, the State may only contract with training providers on the eligible training provider list, must competitively procure contracts, ensure that all WIA eligible populations have access to training offerings, and maintain customer choice. This waiver is only needed for WIA funding for program years prior to and including PY 2009. The Fiscal Year (FY) 2010 Department of Labor Appropriations Act allows FY 2010 funds to be used to provide training through class-size contracts. Recovery Act provisions also allow states to use ARRA funds for class-size contracts, as discussed in TEGL No. 14-08, section 6.

The approved waivers are incorporated by reference into the State's WIA Grant Agreement, as provided for under paragraph 3 of the executed Agreement, and this constitutes a modification of the State Plan. A copy of this letter should be filed with the State's WIA Grant Agreement and the approved State Plan. In addition, as required by TEGL No. 14-00, Change 3, the State should address the impact these waivers have had on the State's performance in the WIA annual performance report, due on October 1 of each year.

We look forward to working together as you implement your State Plan for PY 2010. If you have any questions related to the issues discussed above, please contact Julie Baker, the Federal Project Officer for Illinois, at 312-596-5420 and baker.julie.s@dol.gov.

Sincerely,

Jane Oates
Assistant Secretary
