

U.S. Department of Labor

JUN 28 2010

Assistant Secretary for
Employment and Training
Washington, D.C. 20210

The Honorable Felix P. Camacho
Governor of Guam
Post Office Box 2950
Hagatna, Guam 96932

Dear Governor Camacho:

This letter provides approval of an extension of Guam's current Workforce Investment Act (WIA) and Wagner-Peyser Act (W-P) State Plan and waivers for Program Year (PY) 2010.

Training and Employment Guidance Letter (TEGL) No. 21-09, issued on April 15, 2010, provides guidance for states and territories to secure approval of their WIA/W-P State Plans and waivers for PY 2010, and included the option to receive an extension of the existing State Plan and waivers for an additional year without submitting a formal request.

Extension of State Plan

Guam's existing State Plan will expire on June 30, 2010. This letter constitutes a written determination under WIA Section 112 (29 USC 2822) that the Employment and Training Administration (ETA) is extending the approval of Guam's State Plan for WIA Title I and the Wagner-Peyser Act for Program Year 2010, July 1, 2010 through June 30, 2011.

The Grant Officer will issue a Notice of Obligation for the "July portion" of the WIA formula allocations for Adult and Dislocated Worker programs, effective July 1, 2010, under the PY 2010 Annual Funding Agreement. The W-P program's Annual Funding Agreement for PY 2010/Fiscal Year 2011 will be sent to the designated grantee agency for signature and return to the Grant Officer for execution, effective July 1, 2010. The W-P Annual Funding Agreement will provide for the initial base allocation of PY 2010 funds.

Performance Levels

Guam has decided to extend its existing PY 2009 WIA and W-P performance goals for PY 2010. ETA has incorporated these performance goals, identified as PY 2010 performance goals, into the Regional and National Office copies of the State Plan. Please include these PY 2010 goals in the State's official copy of the State Plan.

Waivers

As part of Guam's extension of the WIA/W-P State Plan, and as described in TEGL 21-09, ETA has made determinations regarding an extension of Guam's PY 2009 waivers of statutory and regulatory requirements under WIA for PY 2010. The disposition of Guam's waivers is outlined below. This action is taken under the Secretary's authority at WIA section 189(i) to waive certain requirements of WIA title I, Subtitles B and E, and sections 8-10 of the Wagner-Peyser

Act. Unless otherwise indicated, all waiver approvals that follow apply to both WIA formula funds and funds made available under the American Recovery and Reinvestment Act of 2009.

Extension of Waivers

Waiver of WIA Section 123 that requires that providers of Youth program elements be selected on a competitive basis.

Guam was previously granted a waiver of the requirement for competitive procurement of service providers for all ten youth program elements. The Jurisdiction is granted an extension of this waiver through June 30, 2011. Under this waiver, Guam is permitted to allow its One-Stop Career Centers or partner agencies to directly provide all ten youth elements. In utilizing this waiver, the Jurisdiction and local areas must still meet Office of Management and Budget requirements (codified in 29 CFR 95.40-95.48 and 97.36) and all state and local procurement laws and policies.

Waiver of WIA Section 133(b)(4) to increase the allowable transfer amount between Adult and Dislocated Worker funding streams allocated to a local area.

Guam was previously granted a waiver to permit an increase in the amount a state is allowed to transfer between the Adult and Dislocated Worker funding streams. The Jurisdiction is granted an extension of this waiver through June 30, 2011. Under the waiver, transfer authority is limited to 50 percent. This limitation provides states flexibility while ensuring consistency with Congressional intent regarding the level of funding appropriated for the WIA Adult and Dislocated Worker programs. As stated in ETA Training and Employment Guidance Letter (TEGL) No. 14-08, Section 19, issued on March 18, 2009, this waiver does not apply to funds made available through the American Recovery and Reinvestment Act of 2009. However, the Jurisdiction is permitted to transfer up to 30 percent of ARRA funds between programs under WIA and under the Department of Labor Appropriations Act of 2009. This authority is discussed in TEGL No. 14-08, Change 1.

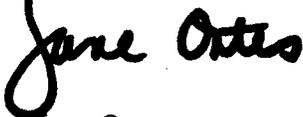

Waiver of the required 50 percent employer contribution for customized training at WIA Section 101(8)(C).

Guam was previously granted a waiver of the required 50 percent employer contribution for customized training to permit the use of a sliding scale for the employer contribution based on the size of the business. The Jurisdiction is granted an extension of this waiver through June 30, 2011. Under the waiver, the following sliding scale is permitted: 1) no less than 10 percent match for employers with 50 or fewer employees, and 2) no less than 25 percent match for employers with 51-250 employees. For employers with more than 250 employees, the current statutory requirements (50 percent contribution) continue to apply. When determining the funding source for customized training, the Jurisdiction must use the appropriate program funds for the appropriate WIA-eligible population. The State may provide customized training to low-income adults with WIA Adult funds, and may provide customized training to dislocated workers with WIA Dislocated Worker funds. Customized training provided with statewide funds must serve WIA eligible individuals.

The approved waivers are incorporated by reference into the State's WIA Grant Agreement, as provided for under paragraph 3 of the executed Agreement, and this constitutes a modification of the State Plan. A copy of this letter should be filed with Guam's WIA Grant Agreement and the approved State Plan. In addition, as required by TEGP No. 14-00, Change 3, the Jurisdiction should address the impact these waivers have had on the State's performance in the WIA Annual Performance Report, due on October 1 of each year.

We look forward to working together as you implement your State Plan for PY 2010. If you have any questions related to the issues discussed above, please contact John Jacobs, the Federal Project Officer for Guam, at (415) 625-7940 and Jacobs.John@dol.gov.

Sincerely,

Jane Oates
