

The Honorable C.L. "Butch" Otter
Governor of Idaho
State Capitol
Boise, Idaho 83720-0195

Dear Governor Otter:

This letter provides approval of an extension of Idaho's current Workforce Investment Act (WIA) and Wagner-Peyser Act (W-P) State Plan and waivers for Program Year (PY) 2010. This letter also responds to Idaho's request for one new waiver.

Training and Employment Guidance Letter (TEGL) No. 21-09, issued on April 15, 2010, provides guidance for states to secure approval of their WIA/W-P State Plans and waivers for PY 2010, and included the option to receive an extension of the existing State Plan and waivers for an additional year without submitting a formal request.

Extension of State Plan

Idaho's existing State Plan will expire on June 30, 2010. This letter constitutes a written determination under WIA Section 112 (29 USC 2822) that the Employment and Training Administration (ETA) is extending the approval of Idaho's State Plan for WIA Title I and the Wagner-Peyser Act for Program Year 2010, July 1, 2010 through June 30, 2011.

The Grant Officer will issue a Notice of Obligation for the "July portion" of the WIA formula allocations for Adult and Dislocated Worker programs, effective July 1, 2010, under the PY 2010 Annual Funding Agreement. The W-P programs annual funding agreement for PY 2010/Fiscal Year 2011 will be sent to the designated state grantee agency for signature and return to the Grant Officer for execution, effective July 1, 2010. The W-P annual funding agreement will provide for the initial base allocation of PY 2010 funds.

Performance Levels

The Regional Administrator's letter advising the State of the PY 2010 WIA and W-P final performance goals constitutes a modification to the State Plan. ETA will incorporate the State's final performance goals for PY 2010 into the Regional and National Office copies of the State Plan. Please include these final PY 2010 goals in the State's official copy of the State Plan.

Waivers

As part of the State's extension of the WIA/W-P State Plan, and as described in TEGL 21-09, ETA has made determinations regarding an extension of Idaho's PY 2009 waivers of statutory and regulatory requirements under WIA for PY 2010. The State also submitted a request for one new waiver (copy enclosed). The State's request for this waiver is written in the format identified in WIA section 189(i)(4)(B) and 20 CFR 661.420(c). The disposition of the State's waiver extensions as well as its submission of one new waiver request is outlined below. This action is taken under the Secretary's authority at WIA section 189(i) to waive certain requirements of WIA title I, Subtitles B and E, and sections 8-10 of the Wagner-Peyser Act. Unless otherwise indicated, all waiver approvals that follow apply to both WIA formula funds and funds made available under the American Recovery and Reinvestment Act of 2009.

Extension of Waivers

Waiver of the prohibition at 20 CFR 664.510 on the use of Individual Training Accounts for older and out-of-school youth.

The State was previously granted a waiver of the prohibition at 20 CFR 664.510 on the use of Individual Training Accounts (ITAs) for older and out-of-school youth program participants. The State is granted an extension of this waiver through June 30, 2011. Under this waiver, the State can use ITAs for older and out-of-school youth program participants. The State should ensure that funds used for ITAs are tracked and reflected in the individual service strategies for these youth.

Waiver of the provision at 20 CFR 663.530 that prescribes a time limit on the period of initial eligibility for training providers.

The State was previously granted a waiver of the time limit on the period of initial eligibility of training providers provided at 20 CFR 663.530. The State is granted an extension of this waiver through June 30, 2011. Under the waiver, the State is allowed to postpone the determination of subsequent eligibility of training providers. The waiver also allows the State to provide an opportunity for training providers to re-enroll and be considered enrolled as initially eligible providers.

Waiver to permit the State to replace the performance measures at WIA Section 136(b) with the common measures.

The State was previously granted a waiver that allows the State to replace the 17 performance measures under WIA Section 136(b) with the common measures. The State is granted an extension of this waiver through June 30, 2011.

This waiver permits the State to negotiate and report WIA outcomes against the common performance measures only, rather than the performance measures described at WIA Section 136(b). The State will no longer negotiate and report to ETA on the following WIA measures: WIA adult and dislocated worker credential rates; participant and employer customer satisfaction; older youth measures; and younger youth measures. The State will use the three adult common performance measures to negotiate goals and report outcomes for the WIA Adult and WIA Dislocated Worker programs. The State will use the three youth common performance measures to negotiate goals and report outcomes for the WIA Youth program. Workforce Investment Act Standardized Record Data system (WIASRD) item 619, Type of Recognized Credential, should be completed for each individual as appropriate, regardless of this waiver to report on common performance measure outcomes only.

Waiver of WIA Section 123 that requires that providers of Youth program elements be selected on a competitive basis.

The State was previously granted a waiver of the requirement for competitive procurement of service providers for three of the ten youth program elements: supportive services, follow-up services, and work experience. The State is granted an extension of this waiver through June 30, 2011. Under this waiver, the State is permitted to allow its One-Stop Career Centers or partner agencies to directly provide youth program elements. In utilizing this waiver, the State and local areas must still meet Office of Management and Budget requirements (codified in 29 CFR 95.40-95.48 and 97.36) and all state and local procurement laws and policies.

Application of WIA regulations at 20 CFR 661.300(f) to allow the State Board to carry out the roles of a Local Board.

The State was previously granted a waiver to permit the state to apply 20 CFR 661.300(f) to the statewide regional planning area described in its State Plan. This provision allows states that operate as a single local workforce investment area to use the state workforce investment board to carry out the requirements of the local workforce investment board. The State is seeking to continue to use its State Board to carry out the roles and responsibilities of the Local Boards in the designated region encompassing the state.

We are granting an extension of this waiver through June 30, 2011. Under the waiver, the Governor may designate the State Board to carry out the roles and responsibilities of the Local Boards in the designated region encompassing the state, in the same manner as permitted in single service delivery area states.

New Waiver Request

Waiver of WIA Section 101(31)(B) to increase the employer reimbursement for on-the-job training.

The State is requesting a waiver to permit an increase in employer reimbursement for on-the-job training through a sliding scale based on the size of the business. The State is granted this waiver through June 30, 2011. Under the waiver, the following reimbursement amounts will be permitted: 1) up to 90 percent for employers with 50 or fewer employees, and 2) up to 75 percent for employers with 51-250 employees. For employers with more than 250 employees, the current statutory requirements (50 percent reimbursement) will continue to apply. When determining the funding source for on-the-job training, the State must use the appropriate program funds for the appropriate WIA-eligible population. The State may provide on-the-job training to low-income adults with WIA Adult funds, and may provide on-the-job training to dislocated workers with WIA Dislocated Worker funds. On-the-job training provided with statewide funds must serve WIA eligible individuals.

The approved waivers are incorporated by reference into the State's WIA Grant Agreement, as provided for under paragraph 3 of the executed Agreement, and this constitutes a modification of the State Plan. A copy of this letter should be filed with the State's WIA Grant Agreement and the approved State Plan. In addition, as required by TEGF No. 14-00, Change 3, the State should address the impact these waivers have had on the State's performance in the WIA annual performance report, due on October 1 of each year.

We look forward to working together as you implement your State Plan for PY 2010. If you have any questions related to the issues discussed above, please contact Dana Durfee, the Federal Project Officer for Idaho, at (415) 625-7938 and Durfee.Dana@dol.gov.

Jane Oates
