

DEC 10 2012

The Honorable Janice K. Brewer
Governor of Arizona
State Capitol
1700 West Washington
Phoenix, Arizona 85007

Dear Governor Brewer:

This letter provides approval of Arizona's State Integrated Workforce Plan for Title I of the Workforce Investment Act (WIA), the Wagner-Peyser Act (W-P), including W-P Agricultural Outreach Plan, plans for coordination with Trade Adjustment Assistance (TAA), and Title V of the Older Americans Act. The Employment and Training Administration (ETA) received the State Integrated Workforce Plan on September 17, 2012. This letter also addresses Arizona's WIA waiver requests.

Training and Employment Guidance Letter (TEGL) No. 21-11, issued on March 27, 2012, and TEGL No. 21-11, Change 1 issued on August 8, 2012 provide guidance for states to submit their State Workforce Plans and waivers for Program Year (PY) 2012 and beyond. We appreciate the State's responsiveness to this guidance.

Plan Review and Approval

ETA has reviewed the Arizona State Integrated Workforce Plan in accordance with Title I of WIA, the Wagner-Peyser Act, the Trade Act (as amended), the corresponding regulations, the State Integrated Workforce Plan Requirements for Workforce Investment Act Title I/Wagner-Peyser Act, and Department of Labor Workforce Programs (<http://www.doleta.gov/usworkforce/wia-planning/docs/integrated-planning-guidance.pdf>), Title V of the Older Americans Act and corresponding regulations, TEGL No. 21-11, and the corresponding Change 1. Pursuant to 20 CFR 661.230(e), this letter constitutes a written determination under WIA Section 112 (29 USC 2822), and WIA section 501 (20 USC 9271) which pertains to State Unified Plans, that ETA is approving those portions of the Arizona State Integrated Workforce Plan that relate to Title I of WIA, the Wagner-Peyser Act, and TAA for Program Years 2012-2016, July 1, 2012 through June 30, 2017. The annual W-P Agricultural Outreach Plan is approved for the period July 1, 2012 through June 30, 2013. The Senior Community Service Employment Program (SCSEP) State Plan has been reviewed by both ETA and the Administration on Aging, and is approved for Program Years 2012-2015, July 1, 2012 through June 30, 2016. The State is eligible to receive WIA formula allotments for Adult, Dislocated Worker, and Youth programs, and W-P program allotments, effective July 1, 2012 through June 30, 2017.

Performance Levels

Each year, the Regional Administrator negotiates the Program Year's WIA and W-P performance goals with each state. As required by TEGLs No. 21-11 and 38-11 dated June 18, 2012, negotiations must be completed by December 31, 2012 for PY 2012. Once the final goals are established, the Regional Administrator's letter advising the State of the PY 2012 WIA and W-P final performance goals constitutes a modification to the State Workforce Plan. ETA will incorporate Arizona's final performance goals for PY 2012 into the Regional and National Office copies of the State Integrated Workforce Plan. Please include the final PY 2012 goals in the State's official copy of the State Workforce Plan.

Waivers

As part of Arizona's State Integrated Workforce Plan, the State submitted waiver requests for waivers of statutory and regulatory requirements under WIA (copy enclosed). The State's requests for waivers are written in the format identified in WIA Section 189(i)(4)(B) and 20 CFR 661.420(c). The disposition of the State's waiver requests is outlined below. This action is taken under the Secretary's authority at WIA Section 189(i) to waive certain requirements of WIA Title I, Subtitles B and E, and Sections 8-10 of the Wagner-Peyser Act.

Waiver of WIA Section 133(b)(4) to increase the allowable transfer amount between Adult and Dislocated Worker funding streams allocated to a local area.

The State requested a waiver to permit an increase in the amount a state is allowed to transfer between the Adult and Dislocated Worker funding streams. The State is granted this waiver through June 30, 2017. Under the waiver, transfer authority is limited to 50 percent. This limitation provides states flexibility while ensuring consistency with Congressional intent regarding the level of funding appropriated for the WIA Adult and Dislocated Worker programs.

Waiver of WIA Section 123 that requires that providers of Youth program elements be selected on a competitive basis.

The State requested a waiver of the requirement for competitive procurement of service providers for three of the ten youth program elements. The State is granted this waiver through June 30, 2017. Under this waiver, the State is permitted to allow its One-Stop Career Centers or partner agencies to directly provide the youth program elements of supportive services, follow-up services, and work experience. In utilizing this waiver for these elements, the State and local areas must still meet Office of Management and Budget requirements (codified in 29 CFR 95.40-95.48 and 97.36) and all state and local procurement laws and policies.

Waiver of the required 50 percent employer contribution for customized training at WIA Section 101(8)(C).

The State requested a waiver of the required 50 percent employer contribution for customized training to permit the use of a sliding scale for the employer contribution based on the size of the business. The State is granted this waiver through June 30, 2017. Under the waiver, the following sliding scale is permitted: 1) no less than 10 percent match for employers with 50 or fewer employees, and 2) no less than 25 percent match for employers with 51-250 employees. For employers with more than 250 employees, the current statutory requirements (50 percent contribution) continue to apply. When determining the funding source for customized training, the State must use the appropriate program funds for the appropriate WIA-eligible population. The State and local area may provide customized training to individuals over age 18 with WIA Adult funds and must provide priority to low-income individuals when funds are limited; the State and local area may provide customized training to dislocated workers with WIA Dislocated Worker funds. Customized training provided with statewide funds must serve WIA eligible individuals.

Waiver of the provision at 20 CFR 663.530 that prescribes a time limit on the period of initial eligibility for training providers.

The State requested a waiver of the time limit on the period of initial eligibility of training providers provided at 20 CFR 663.530. The State is granted this waiver through June 30, 2017. Under the waiver, the State is allowed to postpone the determination of subsequent eligibility of training providers. The waiver also allows the State to provide an opportunity for training providers to re-enroll and be considered enrolled as initially eligible providers.

Waiver of WIA Section 134(a)(1)(A) to permit a portion of the funds reserved for rapid response activities to be used for incumbent worker training.

The State requested a waiver to permit use of rapid response funds to conduct allowable statewide activities as defined under WIA Section 134(a)(3), specifically incumbent worker training. The State is granted this waiver through June 30, 2017. Under this waiver, the State is permitted to use up to 20 percent of rapid response funds for incumbent worker training only as part of a layoff aversion strategy. ETA believes limiting incumbent worker training to layoff aversion is the best use of funds in the current economic climate where serving unemployed workers is a paramount responsibility of the workforce system. All training delivered under this waiver is restricted to skill attainment activities. The State is required to report performance outcomes for any incumbent workers served under this waiver in the Workforce Investment Act Standardized Record Data system (WIASRD), field 309. TEGL No. 26-09, Section 7A, "Workforce Investment Act (WIA) Waiver Policy and Waiver Decisions for PY 2009 and 2010" and TEGL No. 30-09, "Layoff Aversion Definition and the Appropriate Use of Incumbent Worker Training for Layoff Aversion Using a Waiver" provide policy guidance related to implementation of this waiver.

Waiver to permit the Gila County REPAC to negotiate a uniform set of measures and represent the five local areas in preparation of the State annual report as described in Section 136(c); 20 CFR 666.300 and 666.310.

The State requested this waiver to support its integration of the Gila County REPAC. ETA is granting this waiver through June 30, 2017.

Waiver of WIA Section 136(h) and 20 CFR 666.420 to apply any applicable sanctioning to the Gila County REPAC with regard to those performance measures that were negotiated collectively.

The State requested this waiver to support its integration of the Gila County REPAC. ETA is granting this waiver through June 30, 2017.

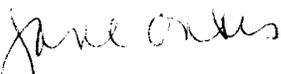

Waiver to permit the Gila County REPAC to be allocated the Dislocated Worker program funds for the Gila/Pinal and the Nineteen Tribal Nations local workforce investment areas.

The State has withdrawn this waiver request.

The approved waivers are incorporated by reference into the State's WIA Grant Agreement, as provided for under paragraph 3 of the executed Agreement, and are incorporated into the State Integrated Workforce Plan. A copy of this letter should be filed with the State's WIA Grant Agreement and with the approved State Plan. In addition, as described in TEGL No. 29-11, the State should address the impact these waivers have had on the State's performance in the WIA annual performance report, due on October 1 of each year.
