

JUN 14 2012

The Honorable Mitchell E. Daniels, Jr.
Governor of Indiana
State House
Room 206
Indianapolis, Indiana 46204-2797

Dear Governor Daniels:

This letter provides approval of an extension of Indiana's current Workforce Investment Act (WIA) and Wagner-Peyser Act (W-P) State Plan for a portion of Program Year (PY) 2012. This letter also provides approval of extensions for Indiana's current waivers. Training and Employment Guidance Letter (TEGL) No. 21-11, issued on March 27, 2012, provides guidance for states to secure approval of their WIA/W-P State Plans and waivers for PY 2012. In accordance with TEGL No. 21-11 and your extension request, the State must submit a full five-year WIA/W-P State Plan and annual W-P Agricultural Outreach Plan by September 15, 2012.

Extension of State Plan

Indiana's existing State Plan will expire on June 30, 2012. This letter constitutes a written determination under WIA Section 112 (29 USC 2822) that the Employment and Training Administration (ETA) is temporarily extending the approval of Indiana's State Plan for WIA Title I and the Wagner-Peyser Act into PY 2012, for the period July 1, 2012 through December 31, 2012. The State already received its formula allotment for the WIA Youth program for PY 2012. The State is eligible to receive WIA formula allotments for the Adult and Dislocated Worker programs under the PY 2012 Annual Funding Agreement. The W-P Annual Funding Agreement for PY 2012/Fiscal Year 2013 will provide the W-P Act initial base allocation of PY 2012 funds.

Performance Levels

Indiana requested to temporarily extend its existing PY 2011 WIA and W-P performance goals for a portion of PY 2012. ETA has incorporated these performance goals, identified as PY 2012 performance goals, into the Regional and National Office copies of the State Plan. Please include these PY 2012 goals in the State's official copy of the State Plan. As required by TEGL 21-11, the State must renegotiate its new PY 2012 goals upon submission of its full State Plan.

Waivers

As part of the State's extension of the WIA/W-P Act State Plan, and as described in TEGL No. 21-11, the State requested temporary extensions of Indiana's PY 2011 waivers of statutory and regulatory requirements under WIA for PY 2012. The disposition of the State's waiver extensions is outlined below. This action is taken under the Secretary's authority at WIA Section 189(i) to waive certain requirements of WIA Title I, Subtitles B and E, and Sections 8-10 of the Wagner-Peyser Act.

Extension of Waivers

Waiver of the prohibition at 20 CFR 664.510 on the use of Individual Training Accounts for older and out-of-school youth.

The State was previously granted a waiver of the prohibition at 20 CFR 664.510 on the use of Individual Training Accounts (ITAs) for older youth and out-of-school youth program participants. The State is granted an extension of this waiver through December 31, 2012. Under this waiver, the State can use ITAs for older youth and out-of-school youth program participants. The State must continue to make the 10 youth program elements available as described at WIA Section 129(c)(2). The State should ensure that funds used for ITAs are tracked and that the ITAs are reflected in the individual service strategies for these youth.

Waiver of the provision at 20 CFR 663.530 that prescribes a time limit on the period of initial eligibility for training providers.

The State was previously granted a waiver of the time limit on the period of initial eligibility of training providers provided at 20 CFR 663.530. The State is granted an extension of this waiver through December 31, 2012. Under the waiver, the State is allowed to postpone the determination of subsequent eligibility of training providers. The waiver also allows the State to provide an opportunity for training providers to re-enroll and be considered enrolled as initially eligible providers.

Waiver of WIA Section 133(b)(4) to increase the allowable transfer amount between Adult and Dislocated Worker funding streams allocated to a local area.

The State was previously granted a waiver to permit an increase in the amount a state is allowed to transfer between the Adult and Dislocated Worker funding streams. The State is granted an extension of this waiver through December 31, 2012. Under the waiver, transfer authority is limited to 50 percent. This limitation provides states flexibility while ensuring consistency with Congressional intent regarding the level of funding appropriated for the WIA Adult and Dislocated Worker programs.

Waiver of WIA Section 134(a)(1)(A) to permit a portion of the funds reserved for rapid response activities to be used for incumbent worker training.

The State was previously granted a waiver to permit use of rapid response funds to conduct allowable statewide activities as defined under WIA Section 134(a)(3), specifically incumbent worker training. The State is granted an extension of this waiver through December 31, 2012. Under this waiver, the State is permitted to use up to 20 percent of rapid response funds for incumbent worker training only as part of a layoff aversion strategy. ETA believes limiting incumbent worker training to layoff aversion is the best use of funds in the current economic climate where serving unemployed workers is a paramount responsibility of the workforce system. All training delivered under this waiver is restricted to skill attainment activities. The State is required to report performance outcomes for any incumbent workers served under this waiver in the Workforce Investment Act Standardized Record Data system (WIASRD), field 309. TEGL No. 26-09, Section 7A, "Workforce Investment Act (WIA) Waiver Policy and Waiver Decisions for PY 2009 and 2010" and TEGL No. 30-09, "Layoff Aversion Definition and the Appropriate Use of Incumbent Worker Training for Layoff Aversion Using a Waiver" provide policy guidance related to implementation of this waiver.

Waiver to permit the State to replace the performance measures at WIA Section 136(b) with the common measures.

The State was previously granted a waiver that allows the State to replace the 17 performance measures under WIA Section 136(b) with the common measures. The State is granted an extension of this waiver through December 31, 2012. This waiver permits the State to negotiate and report WIA outcomes against the common performance measures only, rather than the performance measures described at WIA Section 136(b). The State will no longer negotiate and report to ETA on the following WIA measures: WIA adult and dislocated worker credential rates; participant and employer customer satisfaction; older youth measures; and younger youth measures. The State will use the three adult common performance measures to negotiate goals and report outcomes for the WIA Adult and WIA Dislocated Worker programs. The State will use the three youth common performance measures to negotiate goals and report outcomes for the WIA Youth program. Workforce Investment Act Standardized Record Data system (WIASRD) item 619, Type of Recognized Credential, should be completed for each individual as appropriate, regardless of this waiver to report on common performance measure outcomes only.

The approved waivers are incorporated by reference into the State's WIA Grant Agreement, as provided for under paragraph 3 of the executed Agreement, and this constitutes a modification of the State Plan. A copy of this letter should be filed with the State's WIA Grant Agreement and the approved State Plan. In addition, as

described in TEGL No. 29-11, the State should address the impact that these waivers have had on the State's performance in the WIA annual performance report, due on October 1 of each year.

We look forward to receiving your full State Plan for PY 2012 and working together as you implement your State workforce strategies. If you have any questions related to the issues discussed above, please contact Stacy O'Keefe, the Federal Project Officer for Indiana, at 312-596-5527 or Okeefe.Stacy@dol.gov.

Dear Ms. Fleck:

In accordance with Training and Employment Guidance Letter (TEGL) 21-11, the State of Indiana requests that the U. S. Department of Labor provide a temporary extension of its existing State of Indiana WIA/Wagner-Peyser Act State Plan, including its current negotiated performance targets and the waivers listed below, into Program Year 2012.

Indiana Waivers

- Allow Youth to Use Individual Training Accounts
- Time Limit for Initial Eligibility for Eligible Training Provider List
- Transfer between Adult and Dislocated Worker Programs
- State Set-Aside Rapid Response Redistribution
- Waiver of Current WIA Performance Measures in Order to Fully Implement Common Measures

This extension will enable the State to complete a comprehensive strategic planning process, including the involvement of Indiana's local workforce investment boards, business leaders, and workforce investment partner organizations. The State intends to complete this process by late summer, and will submit its new five-year plan no later than September 15, 2012.

Thank you for your consideration of this request.

Sincerely,

Mark W. Everson
Commissioner
