

JUN 07 2011

The Honorable Tom Corbett
Governor of Pennsylvania
Room 225
Main Capitol Building
Harrisburg, Pennsylvania 17120

Dear Governor Corbett:

This letter provides approval of an extension of Pennsylvania's current Workforce Investment Act (WIA) and Wagner-Peyser Act (W-P) State Plan for Program Year (PY) 2011. This letter also provides approval of extensions for Pennsylvania's waivers. Training and Employment Guidance Letter (TEGL) No. 17-10, issued on December 30, 2010, provides guidance for states to secure approval of their WIA/W-P State Plans and waivers for PY 2011.

Extension of State Plan

Pennsylvania's existing State Plan will expire on June 30, 2011. This letter constitutes a written determination under WIA Section 112 (29 USC 2822) that the Employment and Training Administration (ETA) is extending the approval of Pennsylvania's State Plan for WIA Title I and the Wagner-Peyser Act for PY 2011, July 1, 2011 through June 30, 2012. The State has already received its formula allotment for the WIA Youth program for PY 2011. The State is eligible to receive WIA formula allotments for Adult and Dislocated Worker programs and W-P initial base program allotments under the PY 2011 annual funding agreement for WIA and the PY 2011/Fiscal Year 2012 annual funding agreement for W-P.

Performance Levels

Pennsylvania has decided to extend its renegotiated PY 2010 WIA and W-P performance goals for PY 2011. ETA has incorporated these performance goals, identified as PY 2011 performance goals, into the Regional and National Office copies of the State Plan. Please include these PY 2011 goals in the State's official copy of the State Plan.

Waivers

As part of the State's extension of the WIA/W-P State Plan, and as described in TEGL No. 17-10, the State requested extensions of Pennsylvania's PY 2010 waivers of statutory and regulatory requirements under WIA for PY 2011. The

disposition of the State's waiver extensions is outlined below. This action is taken under the Secretary's authority at WIA Section 189(i) to waive certain requirements of WIA Title I, Subtitles B and E, and Sections 8-10 of the Wagner-Peyser Act.

Extension of Waivers

Waiver of WIA Section 133(b)(4) to increase the allowable transfer amount between Adult and Dislocated Worker funding streams allocated to a local area.

The State was previously granted a waiver to permit an increase in the amount a state is allowed to transfer between the Adult and Dislocated Worker funding streams. The State is granted an extension of this waiver through June 30, 2012. Under the waiver, transfer authority is limited to 50 percent. This limitation provides states flexibility while ensuring consistency with Congressional intent regarding the level of funding appropriated for the WIA Adult and Dislocated Worker programs.

Waiver of WIA Section 101(31)(B) to increase the employer reimbursement for on-the-job training.

The State was previously granted a waiver to permit an increase in employer reimbursement for on-the-job training through a sliding scale based on the size of the business. The State is granted an extension of this waiver through June 30, 2012. Under the waiver, the following reimbursement amounts will be permitted: 1) up to 90 percent for employers with 50 or fewer employees, and 2) up to 75 percent for employers with 51-250 employees. For employers with more than 250 employees, the current statutory requirements (50 percent reimbursement) will continue to apply. When determining the funding source for on-the-job training, the State must use the appropriate program funds for the appropriate WIA-eligible population. The State may provide on-the-job training to individuals over age 18 with WIA Adult funds and must provide priority to low-income individuals when funds are limited; the State and local area may provide on-the-job training to dislocated workers with WIA Dislocated Worker funds. On-the-job training provided with statewide funds must serve WIA eligible individuals.

Waiver of the required 50 percent employer contribution for customized training at WIA Section 101(8)(C).

The State was previously granted a waiver of the required 50 percent employer contribution for customized training to permit the use of a sliding scale for the employer contribution based on the size of the business. The State is granted an

extension of this waiver through June 30, 2012. Under the waiver, the following sliding scale is permitted: 1) no less than 10 percent match for employers with 50 or fewer employees, and 2) no less than 25 percent match for employers with 51-250 employees. For employers with more than 250 employees, the current statutory requirements (50 percent contribution) continue to apply. When determining the funding source for customized training, the State must use the appropriate program funds for the appropriate WIA-eligible population. The State and local area may provide customized training to individuals over age 18 with WIA Adult funds and must provide priority to low-income individuals when funds are limited; the State and local area may provide customized training to dislocated workers with WIA Dislocated Worker funds. Customized training provided with statewide funds must serve WIA eligible individuals.

Waiver of WIA Section 134(a) to permit local areas to use a portion of local funds for incumbent worker training.

The State was previously granted a waiver to permit local areas to conduct allowable statewide activities as defined under WIA Section 134(a)(3) with local WIA formula funding, specifically incumbent worker training. The State is granted an extension of this waiver through June 30, 2012. Under this waiver, the State will be permitted to allow local areas to use up to 10 percent of local Dislocated Worker funds and up to 10 percent of local Adult funds for incumbent worker training only as part of a lay-off aversion strategy. Use of Adult funds must be restricted to serving lower income adults under this waiver. ETA believes limiting incumbent worker training to the specified level and requiring it to be a part of layoff aversion is the best use of funds in the current economic climate where serving unemployed workers is a paramount responsibility of the workforce system. All training delivered under this waiver is restricted to skill attainment activities. Local areas must continue to conduct the required local employment and training activities at WIA Section 134(d), and the State is required to report performance outcomes for any individual served under this waiver in the Workforce Investment Act Standardized Record Data system (WIASRD), field 309. TEGL No. 26-09, Section 7A, "Workforce Investment Act (WIA) Waiver Policy and Waiver Decisions for PY 2009 and 2010" and TEGL No. 30-09, "Layoff Aversion Definition and the Appropriate Use of Incumbent Worker Training for Layoff Aversion Using a Waiver" provide policy guidance related to implementation of this waiver.

Waiver of WIA Section 134(a)(1)(A) to permit a portion of the funds reserved for rapid response activities to be used for incumbent worker training and other statewide activities.

The State was previously granted a waiver to permit use of rapid response funds

for incumbent worker training and other statewide activities. The State is granted an extension of this waiver through June 30, 2012. Under this waiver, the State is permitted to use up to 20 percent of rapid response funds for incumbent worker training only as part of a lay-off aversion strategy and the following statewide activities that enhance services to dislocated workers and outlined in the waiver request: grants that invest in skills assessments, remediation, contextualized learning, and credentials that create an accessible career pathway for dislocated workers and projects that promote strong connections between academic credentialing, industry certifications and occupational learning. The purpose of this waiver is to enhance services to dislocated workers, and so must not be used as a means to deliver WIA services to individuals who would not otherwise be served under a WIA program. The State is required to report performance outcomes for any participant, including incumbent workers served under this waiver, in the WIASRD, field 309. TEGL No. 26-09, Section 7A, "Workforce Investment Act (WIA) Waiver Policy and Waiver Decisions for PY 2009 and 2010" and TEGL No. 31-09, "Layoff Aversion Definition and the Appropriate Use of Incumbent Worker Training for Layoff Aversion Using a Waiver" provide policy guidance related to implementation of this waiver.

Waiver of the prohibition at 20 CFR 664.510 on the use of Individual Training Accounts for older and out-of-school youth.

The State was previously granted a waiver of the prohibition at 20 CFR 664.510 on the use of Individual Training Accounts (ITAs) for older youth and out-of-school youth program participants. The State is granted an extension of this waiver through June 30, 2012. Under this waiver, the State can use ITAs for older youth and out-of-school youth program participants. The State must continue to make the 10 youth program elements available as described at WIA Section 129(c)(2). The State should ensure that funds used for ITAs are tracked and that the ITA is reflected in the individual service strategies for these youth.

Waiver to permit the State to replace the performance measures at WIA Section 136(b) with the common measures.

The State was previously granted a waiver that allows the State to replace the 17 performance measures under WIA Section 136(b) with the common measures. The State is granted an extension of this waiver through June 30, 2012.

This waiver permits the State to negotiate and report WIA outcomes against the common performance measures only, rather than the performance measures described at WIA Section 136(b). The State will no longer negotiate and report to ETA on the following WIA measures: WIA adult and dislocated worker

credential rates; participant and employer customer satisfaction; older youth measures; and younger youth measures. The State will use the three adult common performance measures to negotiate goals and report outcomes for the WIA Adult and WIA Dislocated Worker programs. The State will use the three youth common performance measures to negotiate goals and report outcomes for the WIA Youth program. WIASRD item 619, Type of Recognized Credential, should be completed for each individual as appropriate, regardless of this waiver to report on common performance measure outcomes only.

The approved waivers are incorporated by reference into the State's WIA Grant Agreement, as provided for under paragraph 3 of the executed Agreement, and this constitutes a modification of the State Plan. A copy of this letter should be filed with the State's WIA Grant Agreement and the approved State Plan. In addition, as described in TEGL No. 09-10, page 3, the State should address the impact these waivers have had on the State's performance in the WIA annual performance report, due on October 1 of each year.

We look forward to working together as you implement your State Plan for PY 2011. If you have any questions related to the issues discussed above, please contact Matthew Heaney, the Federal Project Officer for Pennsylvania, at 215-861-5206 or Heaney.Matthew@dol.gov.

Sincerely,

Jane Oates
Assistant Secretary
